

Pattenmakers' Jewellery Collection

'Something for Everyone'

Our Ladies' Accessories Committee is pleased to announce that we now have a collection of items of jewellery for purchase by members – both ladies and gentlemen. The collection has been designed by Reema Pachachi of Kuka-Me. Reema was the first creative designer for De Beers diamond jewellery and has amongst her designs the iconic wild flower collection of De Beers and the celebrated Millennium Star worn by Iman. She now has her own shop, Kuka-Me, based in Notting Hill where she also undertakes commissions – one of which has been a collection for the Pattenmakers. Under our guidance, she has created items mixing the modern with the traditional and produced a collection of earrings, cufflinks, a charm, brooch and pendant – a real *'something for everyone'* collection. The items can be ordered in either silver or 18ct gold, and would make a lovely 'gift-to-self' or for someone close. Below is an order form which you will need to fill in and return to the Clerk. Delivery will be approx. 4-5 weeks once we have enough orders to send off at once.
