**PatTEDmakers Talks: 6pm - Monday 28th September 2020**

*Cyber Security and Justice*

In the second edition in our exclusive webinar series, we will be exploring the highly relevant area of **cyber security and justice** as we receive two short talks from our very own Pattenmakers including:

**Liveryman Richard Parlour**

Chairman of the EU Task Force on Cyber Security in the Financial Sector and Rapporteur of the EU Task Force on AML Effectiveness, Richard will be giving an invaluable talk about the current threat and impact that COVID-19 is having on cyber resilience and will provide steps that businesses and individuals can take to protect themselves.

**Liveryman Michael Ashe QC SC**

Master of the Bench of the Middle Temple and Co-Chairman Cambridge International Symposium on Economic Crime (annual), Michael will be treating us to an illuminating talk on his experience as Recorder of the Crown Court in England & Wales; an office he held from 2000 to 2019.
