As much as we'd like to get us all in the same place, the Young Pattenmakers are proudly spread across England and this event caters to those in the north and others in the south.

A live video link will be arranged during the event so we can all raise a toast together!

As this event is scheduled to take place in just under 3 weeks, please RSVP with Wayne and Bryan ASAP.

Please feel free to invite friends and guests with you, all are welcome!

Regarding COVID 19, please take care and follow government guidance – it may well change before the 13th. Hopefully you won't get pinged by the NHS covid app within 10 days of the event!

We look forward to reuniting in person and seeing you in Leeds or London.
