

## Livery Evening at the Reform Club - Wednesday 13th October 2021

The Master is hosting a special evening at The Reform Club, 104 Pall Mall, London SW1Y 5EW. This event is planned specifically as the culmination of the Company's fundraising for a £35,000 refurbishment Café project at the Stanford Hall Defence Medical Rehabilitation Centre (DMRC) a facility for gallant soldiers who, in serving their country with such courage and skill, have sustained life-changing injuries. In the presence of at least one senior member of the Royal Family, a Champagne reception from 6.15pm is the prelude to a trumpet fanfare announcing a short private recital (of sacred, light-hearted and war-inspired music) in the Library given by the Choristers of St Paul's, the nation's cathedral that has hosted so many State Occasions for military heroes. Following the recital, and a short interview with a soldier currently being treated at DMRC, a Live Auction of exciting experiences will be held, fuelled by further drinks and canapés, before the event closes at 8.30pm. This memorable evening can only be enjoyed by a maximum of 200 people comprising Pattenmakers and their guests, sponsors and donors, but there is limited spare capacity for further supporters keen to help this life-enhancing cause. We do hope you can join us! If you are unable to attend, please consider making a personal or corporate donation or supporting our online auction

Ticket price - £95 per person

Dress Code – Lounge Suits with Ties and Cocktail Attire

For further information or if you wish to book tickets or make a donation, please contact Liveryman Graham Perry on [graham.perry@datore.co](mailto:graham.perry@datore.co)
