

## INVITATION TO A UNIQUE EVENING – 13<sup>TH</sup> OCTOBER

**A rare opportunity to enjoy a unique evening of British pageantry in London has arisen as part of the 350<sup>th</sup> anniversary celebrations of The Worshipful Company of Pattenmakers. Only 200 places are available at this memorable gathering.**

On Wednesday 13<sup>th</sup> October the historic Reform Club on Pall Mall, one of the most exclusive private members' clubs in the Capital, will be the venue for a special event in the presence of Their Royal Highnesses The Duke and Duchess of Gloucester. With pikemen and musketeers from the Honourable Artillery Company in 17<sup>th</sup>-century uniforms forming a guard of honour, trumpeters sounding Reveille will welcome the royal couple.

This enchanted evening will be hosted by Jennifer Bryant-Pearson, The Master of The Worshipful Company of Pattenmakers, a City of London Livery Company that received its Royal Charter in 1670. HRH The Duke of Gloucester is the Royal Patron of the Company.

Choristers from St Paul's Cathedral will perform a short recital as guests enjoy champagne and canapés in the Reform Club's famous library, a venue rarely seen by anyone apart from club members.

Following the choristers' recital, a live auction will be conducted as the culmination of the Livery Company's appeal to raise £35,000 for a splendid new café at the Defence Medical Rehabilitation Centre (DMRC), Stanford Hall, near Loughborough. Hundreds of injured servicemen and women are treated at DMRC for physical and mental ailments. The new DMRC Café will greatly enhance their wellbeing and social interaction with family, friends and fellow patients.

The superb lots in the auction include a thrilling Wing Walking Experience, a full flight simulator on an A400M/Voyager Air Tanker Experience and an exquisite Diamond and White Gold Necklace from Mappin & Webb. The live auction complements an online auction of other desirable prizes that can be viewed here. The online auction closes on the evening of the Reform Club event.
