

The Master and Church Wardens of St Margaret Pattens are delighted to invite you to attend a very special service to celebrate the installation of The Reverend Andrew Keep, Honorary Chaplain to the Livery Companies, as Guild Vicar at a service attended by the Bishop of London on

Monday 11th October at 6.30pm

The GCC wishes to make this a memorable service as it is very significant in the life of our Guild Church of St Margaret Pattens and the Bishop of London will be officiating

The installation marks a new and exciting era in the Church's history ending the "suspension of living" applying to St Margaret Pattens which has been lifted after more than 30 years.

We hope that you will be able to join the The Master and the Wardens and other members of the Livery to celebrate this momentous event.

There will be refreshments in the church after the service to which you are all invited
