Keynote Address by:

Samantha West -

Commercial Director, VINCI Facilities

THE WORSHIPFUL COMPANY OF PATTENMAKERS

The Dinner for FM and the Built Environment is an annual livery dinner held by the Pattenmakers to celebrate the people, projects, concepts and the innovations leading the way in property and facilities services.

Although the footwear industry represents the traditional trade heritage of the Pattenmakers, the Company is also home to a thriving community of professionals from the FM and Built Environment sector.

The Pattenmakers Charitable Foundation raises funds each year to provide financial and practical aid to a portfolio of good causes. Through our fundraising activities and common purpose we make available grants, bursaries and awards, providing support and assistance to our trades, young managers and to the youth in our city, as well as to our military affiliations.

Guest of Honour and Keynote Speaker

We are delighted that Samantha West will provide our pre-dinner keynote this year.

She is the Business Unit Commercial Director at Vinci Facilities and has been in the construction and FM industries for over 30 years.

She is commercially responsible for a £110m FM business unit, which has over 1500 staff and works on projects mainly in the public sector.

Projects include hospitals, stadia, rail, government offices and facilities and are located across the UK.

Her role includes forecasting and accounting, business development, procurement and supply chain management. The functional management of a commercial team, continuous improvement, business unit strategy and planning.

Perhaps that sounds like many job descriptions of our senior leaders, however as she mentions at the end of her biography, she used to be male.

Join us to learn about her fascinating journey as whilst FM has certainly evolved and changed over the past three decades, Sam has too, and has an inspirational message to share.

We look forward to welcoming you

Tickets are £125 per head plus an optional donation to the Pattenmakers Foundation.

**For a booking form and all enquiries please contact:
