THE WORSHIPFUL COMPANY OF PATTENMAKERS

The Dinner for FM and the Built Environment is an annual livery dinner held by the Pattenmakers to celebrate the people, projects, concepts and innovations leading the way in property and facilities management.

Although the footwear industry represents the traditional trade heritage of the Pattenmakers, the Company is also home to a thriving community of professionals from the FM and Built Environment sector.

The Pattenmakers Charitable Foundation raises funds each year to provide financial and practical aid to a portfolio of good causes.

Through our fundraising activities and common purpose we make available grants, bursaries and awards, providing support and assistance to our trades, young managers and to the youth in our city, as well as to our military affiliations.

Guest of Honour and Keynote Speaker: Richard Hobbs - “Future-proofing the FM industry”

Richard is Sales Director at CBRE Global Workplace Solutions.

He has been working within the property and FM industry for over 11 years.

Working with clients across a number of sectors such as healthcare, life sciences, defence, manufacturing and corporate offices, he designs and implements solutions aimed at using clients’ physical environment to drive performance against their overall strategic goals.

Join him at 6.15pm for a pre-dinner presentation on how to

future-proof the FM industry drawing upon extensive research from one of the largest businesses in the world.

How can we shape FM as a truly attractive industry to graduates and bring in the new talent it needs, whilst also being at the forefront of the modernisation of the work environment?

Will FM capitalise on AI, tech and the metaverse, whilst placing FM and workplace at the heart of businesses’ thoughts around people, ESG and business output?

We look forward to welcoming you

Tickets are £125 per head plus an optional donation to the Pattenmakers Foundation.

For a booking form and all enquiries please contact:
Monika Nawrot - pattenmakers@bwa.uk.net
or David Emanuel - david@i-fm.net
