## Carney's Cup | Amateur boxing tournament

In memory of the legendary trainer Mick Carney, this trophy is contested annually between Moss Side Fire Station Boxing Club from Manchester and Fitzroy Lodge ABC from Lambeth, South London.

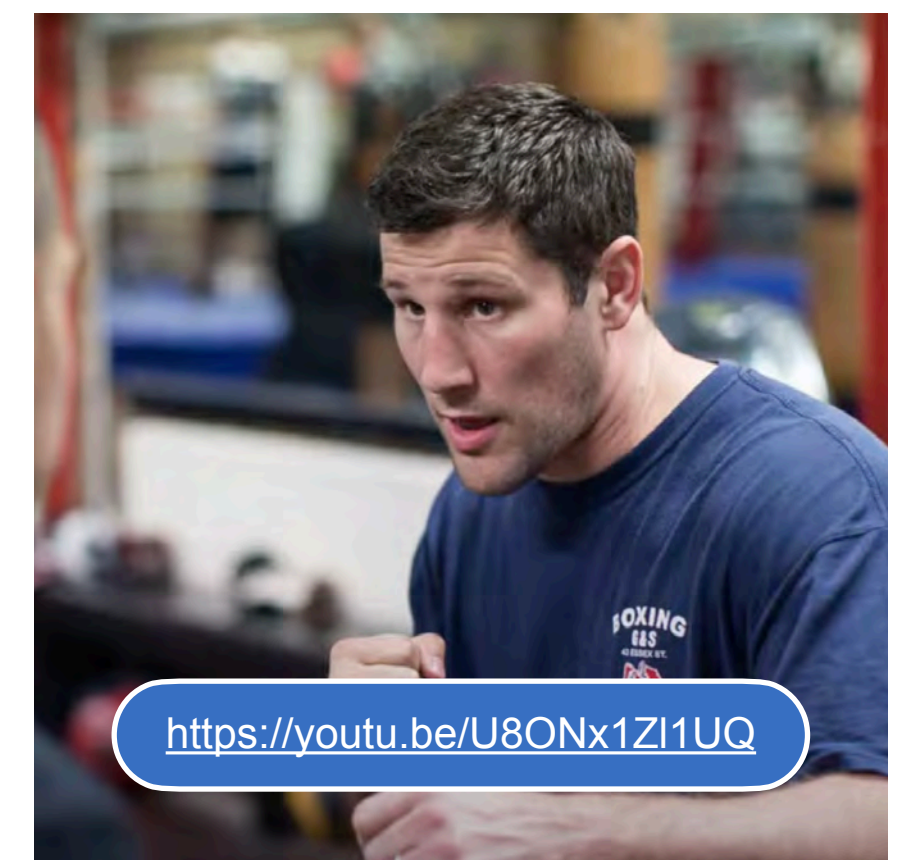

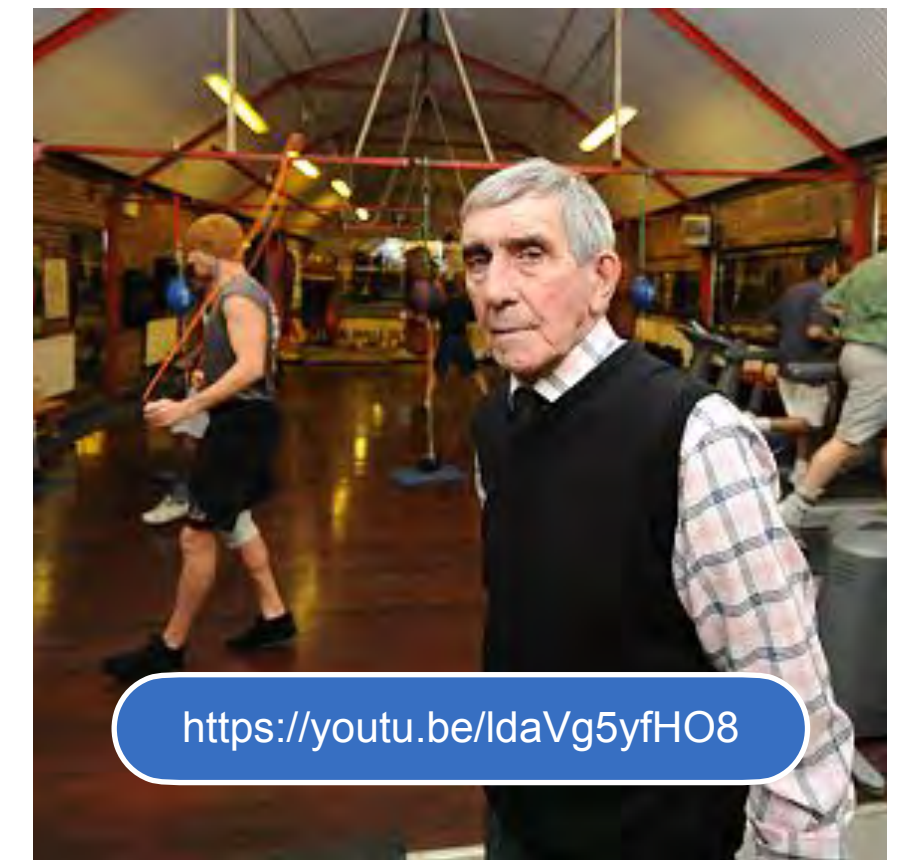

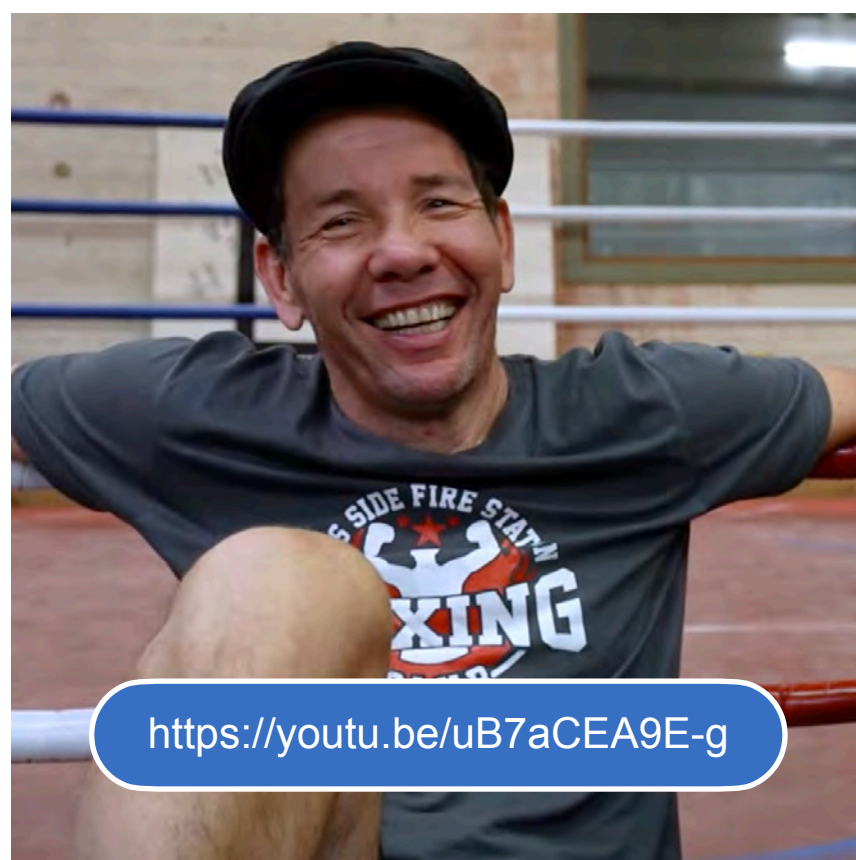

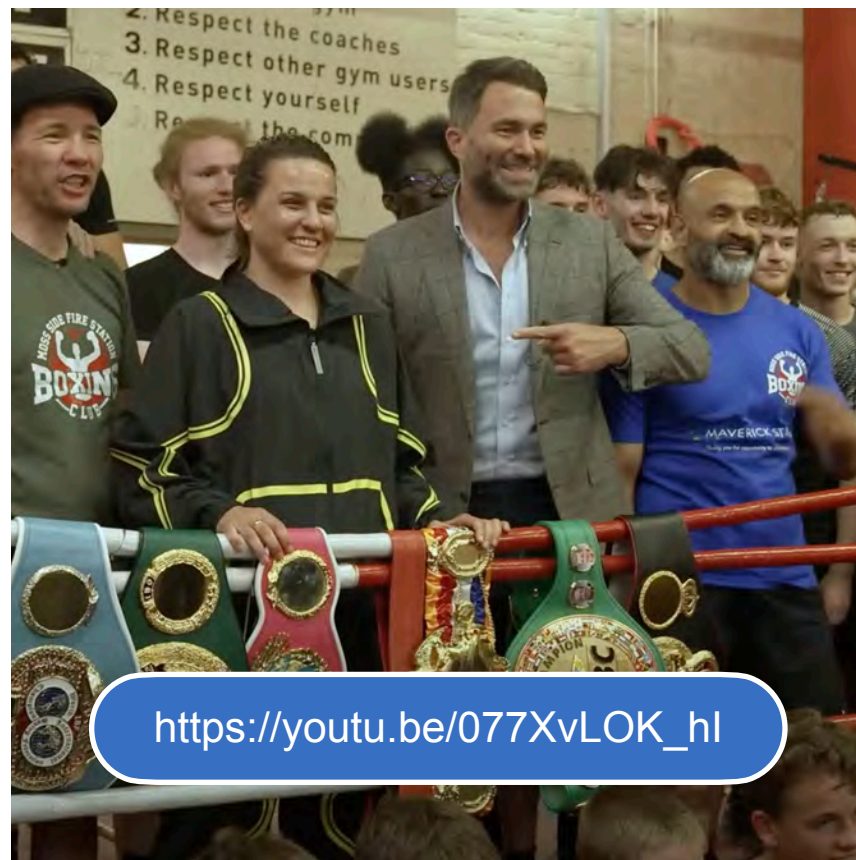

The respective club leaders, Nigel Travis and Mark Reigate, were both mentored by Mick Carney, and they continue to inspire youngsters in their communities; helping them find purpose and earn respect.

Their successes continue to be acknowledged, but this work requires continual funding and every donation is valued.

## “King of the Ring“ | White collar challenge

Sheriff Alastair King is a passionate boxing fan, and trains regularly to keep himself in shape. He has thrown out an invitation for a guest white collar bout, and the challenge was accepted by Sergeant Steve Giles, a busy Police officer and team leader based in Brixton.

Let's see who will be judged “King of the Ring”!
