

# DMRC CAFÉ LAUNCH EVENT

Join us for a very special Pattenmaker celebration

In 2021 the Pattenmakers embarked on a fundraising activity to upgrade and improve the Café at the Defence Medical Rehabilitation Centre to assist with recovery for our serving Military personnel. This facility was dramatically upgraded by this initiative in association with the DMRC Benevolent Fund during 2022 and was opened to patients in August 2022.

The Officer Commanding for the DMRC Group Captain Christopher Rowley RAF, would like to extend an invitation to the Pattenmakers for a Champagne and Canapés event including a tour of the refurbished café facility.

The benefits of this project are already being experienced within the hospital, with a dramatic increase in the use of the area by patients, staff and their families.
