

Vereinigte Zünfte zur Gerwe und zur Schuhmachern Zürich

Programme for the Pattenmakers at the Sechseläuten 2024 in Zurich

Date of arrival is optional – Friday or Saturday. The official events begin on Saturday 13th April and so one can save on a night's hotel costs by arriving on Saturday rather than on Friday. Arriving on Friday allows a relaxed welcome to the weekend and the opportunity to try several different local culinary options at an outdoor food market (hoping for dry weather!). Arrival on Saturday saves on night's hotel costs while you don't miss out on any of the more formal parts of the programme.

LIVERYMEN SHOULD BRING THEIR GOWNS AND BADGES FOR THE MONDAY PARADE.

This year we are considering the concept of a Pattenmakers programme charge, which would include all communal dinners and excursions organised by the Pattenmakers/Zurich guilds because we have been asked by the restaurants to pay as a group rather than individually. More information will be released soon.
