40 Gutter Lane  
London EC2V 6BR

Please join  
The Master and  
Wardens and support  
our unique Livery  
Company.

## Guest Speaker Michael Bodsworth Executive Director SATRA

Freeman Michael Bodsworth has considerable knowledge of the footwear industry, combining scientific and specialised material knowledge with commercial and executive experience. Most recently, 'sustainability' has been a key focus for Michael and his team, working to reduce the environmental impact of products, organisations and supply chains.

The impressive Saddlers' Hall stands just a few yards from St. Paul's Cathedral. Owned by the ancient Livery company for saddlers, Saddlers' Hall was built in a neo-classical style and impresses with bespoke period furniture, historical antiques and paintings. Destroyed by the Great Fire of London and then bombed during the Blitz, the original Saddlers' Hall dates back to 14th Century and has been rebuilt several times. Please join us for what promises to be a wonderful evening, with a scrumptious banquet, an impressive industry speaker and the opportunity to meet old friends and make new ones.

The Pattenmakers are an ancient London Livery company, and today we have many members who specialise in all areas of the footwear world. Part of our charitable work involves providing bespoke orthopaedic shoes for people with walking difficulties including injured and disabled military personnel based at the Defence Medical Rehabilitation Centre, Stanford Hall Leicestershire.
