

# REGISTRATION OPEN

DATE: 16TH OCTOBER 2024

TIME: 7.30AM–9AM / HABERDASHERS' HALL

MAIN SPEAKER

DR. JASON ROACH LONDON CITY MISSION

Good morning,

I am delighted to write to you, as the new Chair of the organising committee for the City Prayer Breakfast, to invite you to this year's breakfast on Wednesday 16 October 2024. When we gather together to pray, I am always reminded of Matthew 18:20 where Jesus promised that if two or three gathered in his name, he would be there too, so I do hope you are able to come and join with others to pray for the City, it's people and for God to be glorified.

This year will be the 55th Annual City Prayer Breakfast. It will also be taking place during a National Week of Prayer and we are delighted to be part of this significant week.

If you would like to attend the Annual City Prayer Breakfast, booking is now open. Places are limited so please do register early to make sure you can attend. There is a reduced price for attendees who are under the age of 30.

**Date:** Wednesday 16th October 2024

**Time:** Doors open at 7.30am for breakfast and we will be seated by 8am for the programme itself. The programme will end 9am with optional seminars thereafter.

**Location:** in-person event at Haberdashers' Hall, 18 West Smithfield, London EC1A 9HX

*Transport: conveniently located for the Elizabeth Line (Farringdon/Barbican), Thameslink (City Thameslink), Central Line (St. Paul's), and Metropolitan and Hammersmith and City Lines (Farringdon).*

The Theme for this year's city prayer breakfast is *Serving the City through Prayer*.

The main speaker will be Jason Roach, Doctor, Author and Director of Ministries at London City Mission. We are deeply grateful for the continued support of our partners, Premier Christian Radio and London City Mission.

In addition, after the main prayer event, there will be some breakout sessions including one led by Bishop Graham Tomlin, author and Director of the Centre for Cultural Witness. Details of this and of other breakout sessions will follow. We anticipate the breakout sessions will run for 45 minutes between 9.15am and 10am.

Finally, I wanted to extend my thanks to Alderman Robert Hughes Penney, my predecessor as Chair, for all he's done in the last seven years to support and promote the Annual City Prayer Breakfast. I am, together with the other members of the organising committee, extremely grateful for the enthusiasm, wisdom, commitment and humility he displayed whilst carrying out the role. I am delighted that he has also agreed to continue as a member of organising committee.

Together with the organising committee, I very much hope to see you on Wednesday 16th October 2024 as we gather to pray.

With kind regards,

Emmanuel
