Dear Master,

The Treloar's Gala Dinner, Wednesday 2nd April 2025

Mansion House will be hosting a Gala Dinner next Spring to raise funds for Treloar's. We would like to make you aware of the event and ask you to share with your company members and network to help us make a lasting and positive impact.

As you may know, Treloar's is a non-maintained residential and day specialist school and college for disabled children and young people up to the age of 25. The charity provides not only an education but also the tools needed to foster independence, confidence, and opportunity.

Mansion House and Treloar's have enjoyed an extraordinarily strong relationship spanning over 116 years. The Mayoralty has worked to support Treloar's since its inception. Treloar's founder, Sir William Purdie Treloar, started the organisation in 1907 as part of his Mayoral appeal. I am proud that this long-standing relationship remains in place to this day. Each year, the Lord Mayor visits Treloar's and hosts a gala dinner at Mansion House to support this incredible organisation. Earlier this year, we had the privilege of visiting Treloar's and were so impressed at the work being done to transform the lives of young disabled people.

We ask you to kindly share details of this event with your members and network, so together we can raise much-needed funds for this extraordinary organisation. Attendees will not only hear about Treloar's life-changing work but also have the opportunity to contribute through fundraising activities that directly support these young people.

If you could share the following link with your company, we would be truly grateful.

We would be deeply grateful for your support in spreading the word and helping us create the greatest impact possible for Treloar's.

With our very best wishes,

**The Rt Hon The Lord Mayor of London
Alderman Professor Michael Mainelli**

**The Lady Mayoress
Elisabeth Mainelli**
