

## **DEFENCE MEDICAL REHABILITATION CENTRE (DMRC) BENEVOLENT FUND**

Dear All

We are writing on behalf of the Defence Medical Rehabilitation Centre (DMRC) Benevolent Fund to thank all of you for making our recent charity fundraising dinner at Prestwold Hall such a success. It was very special to have such a large attendance and for us to be able to meet with you. We are so grateful to each and every one of you for your support and friendship and we hope that you enjoyed the evening as much as the charity team.

As you heard on the night, we are one of many military charities but unlike others we are relatively unknown. The move of DMRC from Surrey to the East Midlands was a difficult move for DMRC Benevolent Fund but we now feel that our vision of Helping Those Who Serve Their Country is starting to be heard in our new location. We have you to thank for that.

Our fundraising never stops. We are currently piecing together our programme of events for 2025 and have no doubt that we will see you all in the coming months. We are always looking to further our contacts and support and of course be delighted to hear from you if you have thoughts on fundraising. In an increasingly unsettled political climate and uncertainly around what that means for the UK's military, we need you more than ever.

From the DMRC Benevolent Fund Trustees and Committee, and the patients and staff of DMRC Stanford Hall, our sincere thanks for your continued and invaluable support.

Yours sincerely

*George*
