We are excited to announce this year's guest speaker, Martin Shobo, Director of Product for Birkenstock! With over 15 years of expertise in the footwear industry, Martin's passion for product and brand development has taken him on a remarkable journey across the UK, Italy, the US, and now, Germany. A former winner of our prestigious Young Managers Award in 2012, Martin's insights and experience are sure to inspire and engage. **Don't miss out on this incredible opportunity!**

The Pattenmakers are an ancient London Livery company, and today we have many members who specialise in all areas of the footwear world. Part of our charitable work involves providing bespoke orthopaedic shoes for people with walking difficulties including injured and disabled military personnel based at the Defence Medical Rehabilitation Centre, Stanford Hall Leicestershire.
